

RCI's *Vision of the Seas*

7-Night Scandinavia & Russia Cruise

July 21 – July 28, 2012 (Departs July 20th)

Let **Royal Caribbean** whisk you away on a **European** getaway, and you'll discover just how much adventure you can pack into a few days! Board the magnificent *Vision of the Seas* in **Stockholm, Sweden** where you'll set sail for exotic destinations on the **Baltic Sea** and enjoy countless onboard activities while you travel.

Your first port of call will be the sparkling capital of **Helsinki, Finland**, an elegant city of spectacular architecture, beautiful gardens and harborside parks. You may choose to visit **Tempeliaukio**, one of **Europe's** most unusual modern churches, stop at the **Olympic Stadium**, visit **Sibelius Park** where you can see the unique stainless-steel monument erected for the **Finnish** composer **Jean Sibelius** or immerse yourself in the history of **Porvoo** where you can stroll the cobblestone streets of this old wooden town. Tomorrow you will visit **St. Petersburg, Russia**, considered the most **European** of all the great cities of **Russia**, and a living monument to the opulent days of **Imperialism**. While here, take time to tour the impressive **Hermitage Museum**, located on **Palace Square**, which houses one of the world's greatest treasuries of fine and applied art with over 3-million exhibits. You may also wish to explore **Peter and Paul Fortress**, birthplace of modern **St. Petersburg**; **St. Isaac Cathedral**, the world's largest domed cathedral; and **Palace Square**, the rallying point of the 1917 **Russian Revolution** or visit **Peterhof**, the summer home of **Peter the Great**. Built under the supervision of the **French Architect Alexandre Le Blond**, this town of palaces, fountains and parks rivals the great palaces of **Versailles**.

Spend your day at sea relaxing and enjoying all of the amenities that your ship has to offer. Enjoy a soothing day in the **Spa**, take a swim in one of the two pools, lounge in one of six whirlpools, or take in a show at the **Masquerade Theatre**, which features nightly entertainment such as contemporary musical stage productions. And that's just the beginning.

You'll wake-up rejuvenated in **Riga, Latvia**, which boasts lavish beauty and timeless elegance. Whether it's medieval architecture and cobblestone streets you're after or extravagant **Art Nouveau** buildings and manicured 19th century parks, **Riga** has plenty of visual stimulation for all tastes. **Riga** is a shopper's dream come true with most of the shopping hotspots concentrated in the **Old Town** on **Valnu Street** and **Basteja Pasaza**. If you're looking for a unique **Latvian Souvenir**, visit **Jekaba Kazarmas** where you can purchase amber jewelry, the gold of **The Baltics**.

Cruise next to **Gdańsk (Gdynia), Poland** one of the **Baltic Sea's** most enchanting seaports since the **Middle Ages**. Its eclectic blend of traditional **German, Polish** and modern influences adds to its charm. You may follow in the footsteps of kings and queens as you stroll **Gdańsk's Royal Way**. You'll be surrounded by a treasure trove of 14th century architecture that includes churches, towers and elaborate city gates. **Visby, Sweden**, one of **Sweden's** most alluring island resorts is famous for its soft sandy beaches, dramatic cliffs, distinctive grey-fleeced sheep and wild orchids. **Visby** has been a popular trading spot since the **Viking Age** and has enough **Medieval Architecture** to take you back a few centuries—there are over 92 13th century churches still in use throughout the island. The **Visby Ring Wall**, constructed in the 13th century, has numerous gates and towers surrounded by moats. Now a **World Heritage** site, it is the best-preserved city wall in **Northern Europe**.⁷
